

## **UPDATE FOR RP FINAL YEAR STUDENTS**

Reference is made to the announcement on RP-IPRCs re-opening dated 9<sup>th</sup> October 2020 informing RP final year students, lecturers and the general public that academic activities are to resume from 19<sup>th</sup> October 2020;

Rwanda Polytechnic management wishes to give an update that we are ready and prepared to receive students from Sunday 18<sup>th</sup> October 2020. I want to say how much we are looking forward to seeing you again after seven months of separation. You are all welcome back.

Students are urged to get accommodated in college hostels in order to minimize the risk of the spread of Covid-19. In addition, this will facilitate a better learning experience because of access to internet and intensive learning to cover for the lost time.

Students who have any specific queries are advised to contact their colleges.

Done at Kigali, on 16<sup>th</sup> October 2020.

  
**Dr James GASHUMBA**  
Vice chancellor, Rwanda Polytechnic
