

CALL FOR APPLICATIONS

Join the IPRC Huye Business Incubation Center

The management of IPRC Huye wishes to inform its students that based on the existing Business Incubation Center at IPRC Huye, interested students having innovation projects will submit their applications to join the IPRC Huye Business Incubation Center from Monday, October 23rd, 2023, to Friday, November 24th, 2023.

What We Offer in the Business Incubation Center

- Mentorship from seasoned entrepreneurs and industry experts.
- Access to state-of-the-art facilities and resources.
- Workshops and training programs tailored to your startup's needs.
- Networking opportunities with potential investors and partners.
- Funding support for promising projects.

Eligibility criteria:

- Having a tangible innovative idea or project that has the potential to disrupt industries
- Having an Innovation and Technology Focus
- Applicants should be willing to actively participate in the incubation program, attend workshops, and engage with mentors and advisors.
- Applicants should be able to demonstrate an understanding of their target market and the demand for their products or services.
- Having the ability and willingness to collaborate with other startups within the incubation center
- Ready to follow the guidelines, rules, and obligations set by the incubation center

Interested Students should submit the following application documents:

- Application letter addressed to the Director of Career Guidance and Development
- Summary of the Innovative Project/Idea
- Copy of National ID or Valid passport
- Curriculum Vitae

How to apply?

Interested students will submit the required document to the following e-mail address: habileo2008@yahoo.fr With the subject: Application for joining IPRC Huye Business Incubation Center

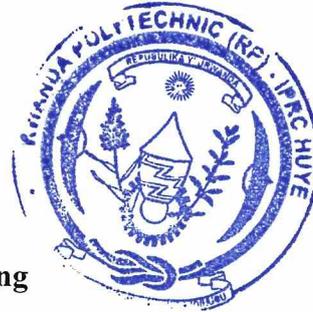

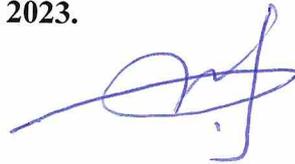

Selection process

Applicants will be shortlisted based on the eligibility criteria and completeness of the application documents. The shortlisted candidates shall be interviewed by a panel appointed by the management of IPRC Huye m. Only candidates who will successfully pass the interview will be recommended for joining the IPRC Huye Business Incubation Center.
